

# THE BUILDING BRIEF 2.0

JANUARY 2020

## WELCOME 2020

A new year has begun yet again. Many are planning and dreaming of new home projects for 2020 and ProBuilt is here to help! Let us design a beautiful, custom outdoor space for your home. Let 2020 be the year you extend your living space to the great outdoors!

ProBuilt wishes all of our clients and potential clients a very happy New Year!

Follow ProBuilt's Facebook page to keep up with all of our newest projects along with tips and tricks on how to decorate your space.

## MONTHLY SPECIAL

Clients who sign a \$10k + contract in January 2020 will receive a Trex furniture voucher up to \$1,000. To see the furniture lines, check out [TrexFurniture.com](http://TrexFurniture.com) or schedule a time to see our showroom.

## FLASH FORWARD

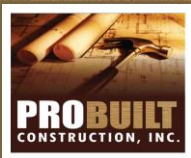

Homeowners who sign in February will receive 5% off of a custom outdoor fireplace – wood-burning or gas full stone fireplace.

*Don't let another year pass without a beautiful backyard space.*

## Project of the Month

This Maple Lawn custom hardscape is truly an eye catcher. Featuring flagstone walls and EP Henry paver stones, this spacious patio is great for intimate family gatherings or entertaining friends and neighbors during a cookout. Add a few throw pillows to the extended basement step walls and you have all the comfy seating you'll need.

To see more photos of this space, visit the portfolio on our website, or to see it in person, schedule a time to meet with your Sales Consultant.
